

## The Next Million Powerwall Rebate

Order Powerwall 3 or Powerwall 3 Expansion units between December 1, 2025 and March 31, 2026 and claim a rebate of up to £750\*.

Powerwall is a home battery that stores energy generated by solar or from the grid. With customisable power modes, you can optimise your stored energy for outage protection, electricity bills savings and more.

### Key Benefits

- Energy savings
- Solar power day and night
- Energy usage monitoring
- Backup protection during grid outages
- Lower reliance on the grid
- Easy system expansion

**Claim your rebate now.**

**Powerwall**  
Certified Installer
